

5 Subject Classroom Signs

PURPOSE //

- Promote mental health awareness and education
- Promote good mental health practices
- Create awareness of the stigma surrounding mental health

INSTRUCTIONS //

Materials

- Math poster
- Science poster
- History poster
- English/Literature poster
- PE poster
- Tape or something to attach to wall/bulletin board

Application

- Hang up the posters in the classrooms! For example, the Math poster would do well in a math classroom, or outside a math resource center. An English poster would do well in a english classroom, or outside the library.

Assembly

1. Print the posters for each of the classes in your building that would like to hang a poster.

Let us know how the activity goes!
