

PURPOSE

- Spread awareness about help-seeking
- Give advice for taking care of one's mental health

OBJECTIVE

- Create mental health awareness posters to hang in the bathrooms.
- Raise mental health awareness by increasing visibility!

INSTRUCTIONS

Materials

- Paper for printing
- The templates in this file
- Markers/Colored Pencils if designing offline

Application

- Hang up signs inside of bathroom stalls, near bathroom mirrors, or above trash bins in the bathroom. Choose places that are likely to be noticed by students, but also not in the way.
- Be very mindful of anyone currently using the bathroom, and respect their privacy.

Assembly

1. Either create the posters using the templates in this document or by having students create their own handmade designs on poster-paper or construction paper.
2. Make sure to create enough signs to hang in all of the school bathrooms. If you want to hang them inside of bathroom stalls, you will need even more copies!

Shout out to the Empowerment Club at Gwendolyn Brooks in Chicago for coming up with this activity.
