

Follow the Footprints

PURPOSE //

- Educate students about mental health
- Spread awareness of how to help a friend
- Lead students to a trusted adult/mental health professional (school counselor, social worker, nurse, etc.)

INSTRUCTIONS //

Materials

- Instruction poster
- Fact footprints
- Trusted Adult footprint
- Blank footprint
- Tape
- Scissors (optional)

Application

- Attach the fact foot prints to the walls leading to the office of a trusted adult.
- Attach the trusted adult footprint to the door to their office. The trusted adult may want to have a bowl of lifesavers on their desk to encourage students to introduce themselves.

Assembly

1. Print the fact footprints. There is also a blank footprint for you to customize with information about your school.
2. You can cut out the fact footprints or leave them as a whole sheet of paper.

Let us know how the activity goes!

We'd love to hear from you or receive pictures or tag us on social media:

Have you seen the footprints around the buidling?

Follow the Footprints

to learn more about good mental health and get to know the trusted adults who are here to support you!
